

# Guaranty Bank Deposit Account Claim Form

You recently received a letter stating that the FDIC requires you to claim ownership of your deposit accounts and the steps you can take to make your claim. If you have not (or are unsure if you have) claimed your deposits, you may complete this form which will notify BBVA Compass that you are claiming ownership of your deposit account(s).

Please complete this form as soon as possible and deliver to any Guaranty Bank branch, or forward it to BBVA Compass using one of the methods listed at the bottom of the page. If you do not claim ownership of your deposits by February 1, 2011 your deposits will revert to FDIC ownership.

Please accept this form as my/our claim to all deposits represented in the accounts listed below.

**Note: For joint accounts, only one accountholder's information is required. For business or organization accounts, information must be provided by an authorized signer on the signature card for the account.**
