*Actual points accrual may vary and is dependent upon individual cardholder spending. The All-Star Weekend points example includes estimated costs of All-Star game tickets, two (2) nights hotel, food, and travel. Typical monthly spending and points will not include the increased All-Star weekend amounts. ¹Rewards Points only accumulate on Qualifying Purchases. You will earn 1 point for each \$1 spent on all net Qualifying Purchases for all purchase categories. A "Qualifying Purchase" is a purchase of goods or services made with your eligible BBVA Compass NBA American Express Card; however, not all purchases are Qualifying Purchases. EXCLUSIONS APPLY. Unless provided in additional terms for special promotions, the following are NOT Qualifying Purchases, and you will not earn points for them: payments of existing card balances, balance transfers, cash advances, ATM transactions, convenience checks, fees charged by us (for example, annual fees, finance charges, and related service charges, if any apply), payments made for prepaid and reloadable cards such as certain gift cards, and similar cards, payments made for payment instruments that can readily be converted to cash (for example, travelers cheques, money orders, wire transfers, and similar products or services). It may take up to 45 days for points to be awarded. Account must be in good standing to earn and redeem points. BBVA Compass reserves the right to, in its sole discretion, determine whether a particular transaction is a Qualifying Purchase and which purchase category applies. ²Merchants are assigned purchase category codes by American Express based on what they primarily sell. A purchase will not earn additional bonus points if the merchant's code is not in an eligible category. Prior to July 1, 2016, you earn 2 points for each \$1 spent on net Qualifying Purchases at U.S. merchants in the gas station and supermarket purchase categories. Beginning July 1, 2016, you earn 2 points for each \$1 spent for the first \$1,500 of combined net Qualifying Purchases made during each calendar quarter in those purchase categories, and 1 point for each \$1 spent on net Qualifying Purchases over \$1,500 in each quarter. Gas stations are defined as stand-alone merchants in the United States that primarily sell gasoline. Supermarkets are defined as stand-alone merchants in the United States that primarily sell grocery products. Some merchants may sell these products/services or are separate merchants who are located on the premises of these merchants, but are classified by American Express in another manner, in which case this added benefit would not apply. Prior to July 1, 2016, you earn 3 points for each \$1 spent on net Qualifying Purchases for the NBA purchase category. Beginning July 1, 2016, you earn 3 points for each \$1 spent for the first \$1,500 of combined net Qualifying Purchases made during each calendar quarter in the NBA purchase category, and 1 point for each \$1 spent on net Qualifying Purchases over \$1,500 in each quarter. An NBA purchase is a purchase made entirely with the Card: of NBA game tickets from a licensed NBA ticket distributor; at any NBA team stadium during an NBA game; or on NBA.com. Prior to July 1, 2016, you earn 5 points for each \$1 spent on net Qualifying Purchases during the NBA All Star Weekend and the two weeks of the NBA Finals. Beginning July 1, 2016, you earn 5 points for each \$1 spent for the first \$5,000 of combined net Qualifying Purchases made during the NBA All Star Weekend, and 1 point for each \$1 spent on net Qualifying Purchases over \$5,000 during the NBA All Star Weekend. In addition, you will earn 5 points for each \$1 spent for the first \$5,000 of combined net Qualifying Purchases made during the two weeks of the NBA Finals, and 1 point for each \$1 spent on net Qualifying Purchases over \$5,000 during the two weeks of the NBA Finals. NBA All Star Weekend and NBA Finals dates may vary, and the eligible time period for bonus points accrual will be determined in the sole discretion of BBVA Compass. Purchases made at superstores and wholesale clubs, through a third-party payment account or on an online marketplace (with multiple retailers) will not earn additional bonus points. A purchase may not earn additional bonus points if the merchant submits the purchase using a mobile or wireless card reader or if you use a mobile or digital wallet to make the purchase. Rewards categories are established by BBVA Compass and may change without notice. Offer cannot be combined with any other TripleDouble bonus point offer or BBVA Compass rewards program. ³Emergency Assistance is provided by AXA Assistance USA.
